While it is Self-Realization Fellowship's intent to use all designated gifts as outlined above, SRF reserves the right for the use of all gifts to SRF to be determined by the Board of Directors of Self-Realization Fellowship. In exceptional circumstances where the designated purposes are no longer feasible, or have been completed, or for other good cause, the SRF Board may redirect such gifts to other appropriate ministries or projects, including any project that comes closest to the basic original purpose of the designation.
